

# Forest secret codes #2 (level 3)

Name: \_\_\_\_\_

Caesar cipher: every letter was shifted along the alphabet. Find the shift from the hint, then decode the message.

## Code key

Hint: the letter A became F. Every letter moved forward by the same number of places.

|   |   |   |   |   |   |   |   |   |   |   |   |   |
|---|---|---|---|---|---|---|---|---|---|---|---|---|
| F |   |   |   |   |   |   |   |   |   |   |   |   |
| A | B | C | D | E | F | G | H | I | J | K | L | M |
|   |   |   |   |   |   |   |   |   |   |   |   |   |
| N | O | P | Q | R | S | T | U | V | W | X | Y | Z |

## Message to decode

|                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |                      |
|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|----------------------|
| B                    | J                    | G                    | Z                    | N                    | Q                    | I                    | F                    | H                    | F                    | G                    | N                    | S                    | N                    | S                    |
